General Information & Status Updates

- A. Texas Music Incubator Rebate Program – Applications are open for the 2024 Texas Music Incubator Rebate Program is a State-funded opportunity for Denton’s music scene. City staff have notified eligible local music venues of the opportunity. Last year, four Denton venues: Dan’s Silverleaf, Steve’s Wine Bar, Andy’s, and Rubber Gloves Rehearsal Studios, received approval, with an average rebate of approximately \$40,000. For more information about the opportunity, visit <https://gov.texas.gov/music/tmir> Staff Contact: Matilda Weeden, Economic Development
- B. Denton Police Headquarters Memorial – On Oct. 16, the Police Department unveiled a memorial at City Hall East, 601 E. Hickory St. (Police Headquarters) to honor officers who have lost their lives in the line of duty. The memorial includes information on each of the fallen officers and a custom-designed honor chair created by the nonprofit Saving a Hero’s Place. The family of Detective Rodney MooneyHam attended for the unveiling of the honor chair. Detective MooneyHam passed away from COVID-19 complications on October 16, 2021. The portraits of Chief Olen Chester Pass (end of watch: Nov. 29, 1941) and Chief Alman Glen Lanford (end of watch: May 19, 1957) are also placed to memorialize their service to the community. The memorial is a place to reflect on the sacrifices made by Denton police officers and to honor their memory. Staff contact: Jessica Robledo, Police

Responses to Council Member Requests for Information

- A. Flashing Green Light – On Oct. 11, Council Member Holland expressed interest in exploring the feasibility of flashing green light to signal drivers the light will soon change to yellow. Staff investigated the inquiry and determined that the flashing green light, commonly used in Canada and Mexico, does not currently comply with federal or state standards for traffic signals. Staff contact: Farhan Butt, Traffic

- B. Value of Solar – On Oct. 15, Council Member McGee inquired if the Value of Solar would be on an upcoming agenda. The proposed Electric Rate Ordinance, which includes changes to the Distributed Generation Rate, is scheduled for Individual Consideration on the Oct. 22 Council Agenda. Staff contact: Tony Puente, Denton Municipal Electric

- C. Noise Compliant on the Square – On Oct. 11 and Oct. 17, Mayor Hudspeth and Council Member Byrd inquired about noise complaints from public address system usage by individuals on the Square. If residents have noise-related concerns, they should contact the non-emergency line of the Police Department at (940) 349-8181. Staff contact: Jessica Robledo, Police

- D. McKinney Street – On Oct. 15, Council Member Holland inquired if delineation between pedestrian and auto traffic could be installed. Staff is gathering additional information and is conducting a study that will be provided in a future Friday report. Staff contact: Farhan Butt, Traffic

**INFORMAL STAFF REPORT
TO MAYOR AND CITY COUNCIL**

SUBJECT:

Campaign Financing Ordinance Research

BACKGROUND:

On Sept. 11, 2024, Council Member McGee presented a two-minute pitch to hold a comprehensive work session to examine and reform Denton’s local campaign finance rules. On Sept. 17, 2024, the City Council gave direction to proceed with the two-minute pitch proposal as outlined in Ordinance 24-1725.

DISCUSSION:

Currently, the City of Denton does not have any regulations that restrict or limit campaign contributions. The State of Texas generally does not restrict the amount of money that a person or political committee may contribute to a campaign but does require candidates to appoint a treasurer, file finance reports every six months, and file reports before elections.

The City of Denton has the authority to establish campaign contribution limits so long as the limits do not infringe upon a person’s First Amendment right to free speech and the City can show a perception of corruption justifying such laws. Other Texas cities have adopted local campaign financing limitations as summarized below:

City	Individual Limit	Political Committee Limits	Aggregate Limits
Houston	\$5,000	\$10,000	
San Antonio	Councilor: \$500 Mayor: \$1,000	Councilor: \$500 Mayor: \$1,000	
Dallas	Councilor: \$1,000 Mayor: \$5,000	Councilor: \$1,000 Mayor: \$5,000	
Austin	\$350	\$1,000	\$36,000 from non-Austin Residents
McAllen	Councilor: \$5,000 Mayor: \$10,000 <i>Proposed: \$500</i>	Councilor: \$5,000 Mayor: \$10,000 <i>Proposed: \$500</i>	
San Marcos	\$500		Mayor: \$0.75/Registered Voter Councilor: \$0.50/Registered Voter

In general, limits on campaign contributions made by a candidate to themselves are not limited and there is an indication that attempts to limit self-contributions have not been upheld by courts. Some cities such as Houston, San Antonio, and Dallas, prohibit the acceptance of campaign contributions from people who have a pending matter before the City, such as an application for a permit, proposal to enter into a contract or arrangement, or are involved in ongoing litigation with the City while those activities are ongoing.

In general, the applicable ethics commission of each City has some degree of authority over the enforcement of these limitations and restrictions, such as processing a complaint of a suspected violation of the limits if one is received. Some ordinances allow these commissions to recommend that the City Attorney pursue prosecution of a municipal code violation.

CONCLUSION:

If Council Member McGee wishes to advance the pitch beyond an Informal Staff Report, City Staff will present the information to Agenda Committee with a staff recommendation to route the item through the Board of Ethics prior to Council discussion.
