

**MEMORANDUM**

**DATE:** Jan. 17, 2025  
**TO:** The Honorable Mayor Hudspeth and Council Members  
**FROM:** Sara Hensley, City Manager  
**SUBJECT:** Friday Staff Report

**Upcoming Meetings**

- A. Tax Increment Reinvestment Zone No. 1 Board on **Wednesday, Jan. 22, 2025, at 12:00 p.m.** at the Development Service Center.
- B. Civil Service Commission on **Wednesday, Jan. 22, 2025, at 1:00 p.m.** at City Hall East in the Human Resources Training Room.
- C. Sustainability Framework Advisory Committee on **Friday, Jan. 24, 2025, at 1:00 p.m.** in the City Council Work Session Room.

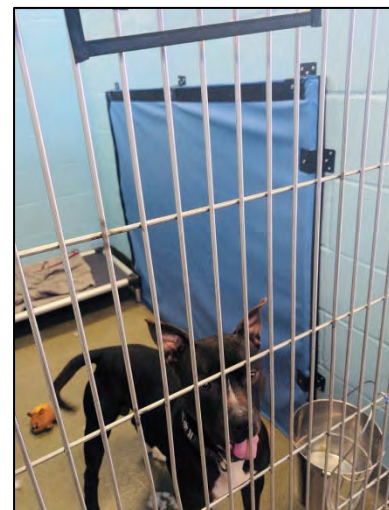

Please check the City of Denton website for final meeting days and times as information is subject to change after the Friday Report is published. [Public Meetings & Agendas | Denton, TX \(civicplus.com\)](https://www.denton-tx.gov/civicplus)

**OUR CORE VALUES**

Inclusion • Collaboration • Quality Service • Strategic Focus • Fiscal Responsibility

## General Information & Status Updates

- A. Denton Airport Records Busiest Year Ever – In 2024, Denton Enterprise Airport experienced another record year of aircraft activity, totaling 221,946 aircraft taking offs or landings at the airport; this represents over 9,000 additional take-offs and landings from last year. Aircraft operations are a vital activity measure that the Airport uses in its future infrastructure and land use planning. As aircraft activity continues to rise, it is the goal of the Airport to continue to ensure a safe and sustainable environment for our users. Staff contact: Chase Patterson, Airport
- B. Bird City Certification – In January 2025, the City of Denton became a certified Bird City through [Bird City Texas](#). Bird City Texas is a program created in 2018 by Audubon Texas and the Texas Parks and Wildlife Department that recognizes leadership in habitat conservation, threat reduction, and community engagement for birds. Denton’s efforts have earned a place as one of the first 15 certified communities. This achievement was accomplished with the collaboration of several City departments and outside organizations, including the University of North Texas, Texas Woman’s University, and the Elm Fork Chapter of the Texas Master Naturalists. Staff Contact: Karen Boerner, Environmental Services & Sustainability
- C. Commercial Diversion Program Update—The Solid Waste and Recycling Department (SWR) has received approximately 1,100 diversion plans from commercial customers in compliance with the City’s Commercial Diversion Ordinance. The ordinance was adopted by Council on July 18, 2023, and initial communications to customers were distributed in September 2023, with full compliance expected by June 30, 2024. Businesses are required to develop and share plans to redirect materials such as recyclables, construction waste, and bulky items from the landfill. Around 50 percent of commercial customers are currently compliant with submitting their diversion plan. The department is conducting final outreach efforts Jan. 27-31, 2025. Staff contact: Brandi Neal, Solid Waste and Recycling
- D. Animal Shelter Improvements – The most recent improvement to the Linda McNatt Animal Care Facility, as part of the City’s renewed focus on animal welfare, is padded inserts for animal kennels to help prevent a common injury, “happy tail.” Happy tail occurs in the shelter when a dog wags its tail vigorously and repeatedly into the walls of its kennel and can lead to discomfort and abrasions. To help prevent and reduce instances of happy tail, brackets were installed into the kennel wall to allow the insertion of durable padding to protect the tails of dogs like [King](#), pictured here. This improvement is a proof of concept and shelter staff will be seeking to add more padded kennels imminently. Staff contact: Bailey Coleson, Animal Services

- E. Urgent Animal Placements – Complimenting the existing adoption process Denton Animal Services (DAS) staff have developed an urgent placement list. Animals are eligible to be placed on the list if they have been in the shelter for three weeks or longer, if they’re suffering from continued kennel stress for longer than three days after they’ve been placed on a prescribed enrichment plan, or if they are recovering from a medical procedure or condition. Often even a week out of the shelter and in a loving home can make a significant impact on the mental health of an animal in need. The [Urgent Placement List](#) is available online and visible on the [DAS adoptions webpage](#). Anyone who is interested in fostering or adopting one of these animals in need can reach out to [animal.services@cityofdenton.com](mailto:animal.services@cityofdenton.com) to request more information and get involved. Staff contact: Bailey Coleson, Animal Services

- F. Mayor’s Shelter Pet Spotlight – Spud is a lively 2-year-old American Pit Bull Terrier with a zest for life and a heart full of love. This energetic pup thrives on activity and is always ready for an adventure, making him the perfect companion for an active home. Spud loves car rides and is leash-trained, so he’ll be your ideal travel buddy, whether a quick trip to the park or a longer journey. Spud has a playful spirit and a passion for toys, which keeps him entertained and happy. His food motivation makes him a quick learner, eager to please, and perfect for training sessions. However, he tends to jump, so patience and guidance will help him learn boundaries. Having been in the shelter since Sept. 19, 2024, Spud is experiencing some separation anxiety and would greatly benefit from a loving home where he can feel secure and cherished. His mental state and general welfare are a priority, and finding him a home is urgent. Spud's high energy and affectionate nature mean he needs a home that matches his enthusiasm and provides the companionship he craves.

If you’re looking for a loyal, fun-loving dog to join your family, Spud is ready to fill that role with wagging tails and endless affection. For more information on Spud or to find your next furry buddy, visit the [Animal Services](#) page. Staff Contact: Bailey Coleson, Animal Services

### **Responses to Council Member Requests for Information**

- A. Observation Frequency of Traffic Study – On Jan. 11, Mayor Pro Tem Meltzer shared an inquiry from a resident regarding the methodology of the University Drive and Malone Street Traffic Study. Staff advised that the traffic count observations will occur during peak morning and afternoon school hours and the adjacent street peak hours. Staff plans to collect traffic counts for three weekdays in the coming weeks. Staff contact: Chandra Muruganandham, Transportation Services

- B. Transportation to Shelters – On Jan.11, Council Member Byrd shared a request for information and resources for transportation to warming centers and shelters during inclement weather. Staff provided information to the constituent regarding available transportation through Denton County Transit Authority (DCTA) Route 3 stayed in operation, and Our Daily Bread shelter is a stop on that route. Additionally, GoZone is also another available transportation option. Staff contact: Dani Shaw, Community Services.

**Information from the City Manager**

From time to time, I would like to share with the City Council local government-related resources that I find insightful, interesting, or timely. These may be studies, periodicals, reports, or web resources. My intent is to make the Council aware of broad perspectives and discussions and not to suggest any policy or service change. – Sara

This [article](#) represents the challenges that cities around the country, especially those in Texas, face regarding water supply, infrastructure, and development.
