June 13, 2025 – DENTON – Texas Woman's University has released its deans' and chancellor's lists for the spring 2025 semester.

Undergraduate students at the Denton, Dallas and Houston campuses who completed at least 12 graded credit hours and achieved at least a 3.5 grade point average were eligible for the deans' list.

Students who achieved a 4.0 grade point average were named to the chancellor's list, and are indicated with an asterisk (*).

Students are listed by their hometowns, and those from areas other than Texas are listed alphabetically by state or country toward the end of the text.
