Please check the City of Denton website for final meeting days and times as information is subject to change after the Friday Report is published. [Public Meetings & Agendas | Denton, TX \(civicplus.com\)](https://www.denton-tx.gov/civicplus.com)

## OUR CORE VALUES

Inclusion • Collaboration • Quality Service • Strategic Focus • Fiscal Responsibility

## **General Information & Status Updates**

- A. Fair Chance Hiring Resources – On August 5, Council provided direction to publish information about Fair Chance Hiring programs available through state and federal agencies. These resources are now available on the City's [Business Resources webpage](#), alongside other tools for local businesses. Business owners and organizational leaders can explore opportunities offered by the Texas Workforce Commission and the Workforce Innovation and Opportunity Act (WIOA) to support inclusive hiring practices. These programs help ensure individuals with criminal records have a fair opportunity to participate in the workforce. Staff contact: Kristi Fogle, City Manager's Office
- B. Road Safety Audit with NCTCOG – On Sept. 18, a group of City Staff, North Central Texas Council of Governments (NCTCOG) Staff, and consultants with Kimley Horn completed the second of four road safety audits within the City of Denton. This road safety audit was for Hickory Street, between Avenue C and Belle Avenue. The team observed and assessed this corridor, walking the entire length and documenting any potential safety concerns. The goal of this project with NCTCOG is to use the findings of the road safety audits and take the next steps to fund, design, and implement the recommendations. Future road safety audits will assess Carroll Boulevard and Welch Street. Staff contact: Sahar Esfandyari, Transportation Services
- C. Denton Leading the Way – The incredible work that our teams across the organization are doing is being noticed. The City of Denton Municipal Court team had a visit from a neighboring city to learn about our processes with Laserfiche. Also, other courts have visited to see how the City conducts teen court and processes youth diversion cases, due to hearing how well our programs function. Additionally, our Fleet/Facilities team has had several North Texas cities reach out to learn about their partnership with the Procurement team for the timely processing of purchase orders, resulting in rapid turnaround for fleet purchases and internal remodeling projects. During implementation, the vendor of Fleet/Facilities new asset management system identified the City of Denton as a benchmark for other municipalities to follow and shared that they plan to use our approach as an example in future implementations with other Texas Cities. The progressive work our organization is doing to improve processes is setting the standard across the metroplex. Staff contacts: Jamie Lindsay, Municipal Court and Tom Gramer, Fleet/Facilities
- D. Solid Waste and Recycling Overfull Bins – Per the City of Denton Code of Ordinances Sec. 24-43, all garbage, yard waste, and recyclable materials containers shall securely contain, with lids closed, all contents and must be capable of being collected without spillage, which is when the bags fall out and break. 13-gallon trash bags left outside of trash carts will be picked up for \$5 per bag. Charges will be automatically applied to your utility bill, with no need to schedule ahead if fewer than 5 bags are set out at the curb. Residents may schedule 2 bulky items to be collected each week at no extra fee. However, trash bags and boxes of trash are not considered bulky items. Staff contact: Brenda Haney, Solid Waste
